TIPS & TECHNIQUES

PAINT ODORS

Absorb paint odors by placing small dishes of ammonia in each room that's been painted. If the smell persists after several days, replace the dishes. Slices of onion or small dishes of vinegar will also work.

CLEANING FIREPLACE DOORS

To remove soot from glass fireplace doors, mix 1 tablespoon of ammonia, 2 tablespoons of vinegar and 1 quart of warm water in a spray bottle. Spray some of the solution and let sit for a few seconds. Wipe off with an absorbent cloth. Repeat if necessary.

BAKING SODA TIPS

- **Crayon marks** Use a damp rag dipped in some baking soda to lightly scrub crayon marks off walls.
- **Fireplace Bricks** To clean smoke stains off fireplace bricks, wash them with a solution of 1/2 cup baking soda to 1 quart of warm water.
- **Cigarette Smoke Smell** To get rid of the smell of cigarette smoke from upholstered furniture, lightly sprinkle with baking soda. Vacuum off after letting it sit for a few hours.
