

FREE Toilets

Limited Time Only!

Replace your old water-wasting toilets (pre-1994) with high performance FlushStar toilets and begin saving up to 27% on your apartment building's water bills. You have the option of receiving **FREE toilets** or an **\$80 rebate** per toilet.

Limited time only.

There is no need to worry about toilet performance. All FlushStar toilets are independently tested and proven to work efficiently on the first flush.

FREE showerheads and **bathroom faucet aerators** available for toilet program participants.

Stop wasting water and start saving money. It's good for salmon, the environment, and our future generations!

Visit www.savingwater.org, or call John Bowden at (206) 322-1717 for a list of local participating water utilities or for more information.

**Offer ends
6/30/08!**

TIPS & TECHNIQUES

BAKING SODA & CRAYON STAINS & SCUFF MARKS

Put baking soda on a wet sponge and use it to remove crayon stains off walls. You can also use this to remove pencil marks, markers, and grease.

Make a paste of baking soda and water to remove scuff marks off of linoleum floors.

SPRING CLEANING TIPS

- Clean the grungiest windows with a wet sponge sprinkled with baking soda. Rinse the window and dry.
- Clean any floor that can be cleaned with a wet solution with a mixture of 2 gallons of water, half a cap of liquid soap, and 1 cup of vinegar. Wipe the floor dry with a soft cloth to pick up the loosened dirt.
- Get rid of mildew, dust and stale odors by wiping down walls with undiluted vinegar using a cloth or a sponge mop.
- Scrub fireplace bricks with undiluted vinegar to remove soot and grime. Use a brush to scrub and a towel to blot up the wetness and dirt.
- Fireplace doors can be cleaned with a mixture of 1 part vinegar to 2 parts water. Wipe clean with a dry cloth.
- Sprinkle indoor welcome mats with baking soda to clean and deodorize. Then, vacuum.

Preen Weed Preventer

- Organic
- 100% corn gluten meal
- Immediately safe around kids and pets
- Prevents weed seeds from germinating
- 5lb. container covers up to 250 sq. ft.
