GLUE SAVING TIP

(from The Family Handyman)

To prevent an opened container of glue (superglue, Gorilla Glue, etc.) from drying out prematurely, place it in a Zip Lock plastic bag with some dessicant packets (the packets you find in electronics and vitamin bottles). Moisture in the air is one of the primary reasons that glues harden.

Ribbon Fly Trap

- Non-toxic, no poisons, no harmful vapors
- Remains effective even in direct sun
- Bright white ribbon attracts and catches more flies
- 14 ft. ribbon with mounting hardware included

2⁹⁸

Fly Trap
05745215
Reg. \$ 4.99

Prices effective through abovementioned dates. Sale is limited to stock on hand. Prices and specifications may be subject to change without prior notice.
