TIPS & Techniques

GROUT CLEANING WITH SANDPAPER

Remove stubborn stains along grout lines with fine grit sandpaper. Fold the sandpaper and use the folded edge to sand the stain off the grout seam. Be careful not to sand the tile!

SANDPAPER: SLUG DETERRENT

Place used sanding disks underneath plant pots to deter slugs. You can also cut used sandpaper into strips and tape them around pots.

Sprayway Time!

After months of "hibernating", film builds up in our window panes. And there's no product that cuts through the film as **Sprayway**!

Sprayway is by far the best glass cleaner we've ever used. It cuts through film like a hot knife cuts through butter. It leaves your windows and mirrors sparkling clean and clear!

Sprayway comes in a 19 oz spray can. It contains no ozone-depleting chemicals, window-cleaning goodness!
